

ANGEL FLIGHT WEST

The mission of Angel Flight West is to arrange free air transportation in response to health care and other compelling human needs. Angel Flight West is a nonprofit, volunteer-driven organization. Over 1500 volunteer pilots throughout the 13 western states donate their aircraft, piloting skills, and all flying costs to help families in need, enabling them to receive vital treatment that might otherwise be inaccessible because of financial, medical, or geographic limitations.

At Angel Flight West office in Santa Monica, California, our tightly-knit team manages a complex system that matches pilots with passengers, coordinates the flights, spreads the word among referral agencies, and continually recruits new volunteers.

What we do is much like running a small airline, but an airline whose passengers are all ill and often underserved, with concerned families and friends, and whose scheduling is usually initiated by hospital personnel and subject to approval of physicians.

The beneficiaries of the flight—the passengers and their families and the organizations – pay for nothing at all, ever.

We are proud of Angel Flight West's 34 years of service to the community. Be an Angel and become a sponsor or golfer or donate to our auction, the proceeds of which will enable us to increase our missions and people supported.

Contact MaryH@AngelFlightWest.org or 310-390-2958 x110 if you have questions or wish to donate.
